INVESTMENT STRATEGY

Short-term and medium-term purpose loans provided to projects implemented within the Arca Capital investment group. All the projects must generate sustainable cash-flow that is to be paid to individual sub-funds on a quarterly basis.

INVESTMENT GOAL

The investment objective of both sub-funds is to generate stable, sustainable quarterly income based on the financing or co-financing of projects carried by the Arca Capital group that are aimed at private equity or mortgage/consumer loans defaults. Participation in bridge financing of real estate projects is also possible. The sub-funds pay a regular quarterly advance on dividends. All investors holding investment shares are entitled to this advance on the due date. The decisive day is the last day of each quarter of the year.

MANAGEMENT COMMENTARY:

In July, quarterly dividend advances were paid out with decisive day June 30, 2018 on investor accounts. The gross advance payment amounts reached EUR 0.36 (for Sub-fund 3) and CZK 0.0153 (for Sub-fund 4), respectively; the overall pay-out ratio for both quarters in 2018 came near to 95 %. Investors have received the money as net amounts, i.e. after the withholding tax. Quartal-to-quartal value increase, measured on the level of the Sub-funds, got to 1.39 % (for Sub-fund 3) and 1.63 % (for Sub-fund 4).
