MANAGEMENT COMMENTARY:

The fund value has increase by 0.36 % in July 2019, leading to a year to date appreciation of 4.97 % (excluding the dividend payout).

The revitalization project of a reception area at Panorama Office Center has been successfully completed with a highly positive feedback from the building's occupiers. As a response to a growing trend of active individual transportation, we decided to add bike rooms to buildings Anđel 16 and Anđel 17. These include a shower room, lockers as well as a room with bike racks. By adding this amenity, we make the buildings more attractive as well as we help to reduce CO2 emissions in the city center.
